Message

I am glad to know that DPS Jhakri is presenting the new edition of its school magazine "Reflections" which will reflect the involvement of school in various activities and accolades bagged by the students,

With many congratulations!

V. K. Shunglu
Chairman

Message

On the occasion of publishing of New Edition of School Magazine "REFLECTIONS" I extend my hearty congratulations to the students and teachers of DPS Jhakri.

Since 1994, the school has achieved many laurels and its students are excelling in various fields. Every year DPS Jhakri students are showing excellent performance in board classes at State as well as National Level. The benchmarks of success in various fields set by the school have indeed fulfilled the objectives of quality education.

I believe the "REFLECTIONS" reflect various facets of school and its talented students. My Best Wishes to the school management on this occasion and for taking the institution to the unmatched heights of success.

All the best.

N.L. Sharma
CMD, SJVN

Message

It is indeed very nice to learn that DPS Jhakri is shortly bringing out the next edition of the Annual School Magazine "Reflections". I am confident that the teachers and students will make full use of the opportunity to exhibit their talents. On this occasion I send my best wishes to DPS Jhakri.

Inderjit Seth
Chairman, MC DPS Jhakri

Message

It gives me immense pleasure to note that Delhi Public School, Jhakri is bringing out the new edition of their school magazine "Reflections".

DPS Jhakri is performing exceptionally well in the field of academics and also contributes for the overall development and growth of children through quality education and extra curricular activities. It's a matter of great satisfaction that school not only caters to the academic needs of children of SJVN employees but also large number of children in the vicinity of project area since its establishment in 1994.

I hope this trend continues in future and DPS Jhakri emerges as one of the best schools in the country.

I, on behalf of members of SJVN family wish all the success to "Reflections".

Sanjeev Sood

Chief General Manager/HOP-cum-Pro-Vice Chairman, DPS, Jhakri

From Principal's desk

I take pride and pleasure to pen down a few lines for this edition of the annual school magazine 'Reflections'. The eventful happenings of the gone by academic year has many stories to reveal. The panorama of the shades depict a glorifying presentation of the feats achieved in different spheres of scholastic and co-scholastic activities and exhibiting the academic, creative, poetic and artistic genius of our students.

We are committed to provide the best to our students and foster a candid and conducive environment of learning. DPS Jhakri is consistent in providing the designed objectives as stated in our mission and vision statement. We strongly believe that every child is a blessed soul and possesses tremendous potentials to outshine in some or the other sphere of life, the right mentoring can create success stories.

My sincere thanks to the management for believing in us and supporting us in the cause of giving qualitative education to the students, as per the guiding principles of DPS Society.

I'm thankful to our stake holders and partners for their support and unstinted cooperation extended to us. I appreciate the efforts of the editorial team in bringing out this edition of 'Reflections'. Best wishes for their future endeavors.

KAMAL CHAND
Principal, DPS Jhakri

Editorial

Words from Editorial Board

It gives us immense pleasure to present before you another successful publication of Reflections. Extracting talents, ideas, skills from different fields was a difficult task but as a team we finally made it possible. 'Reflections' is a great launch pad for the young budding poets and writers. Our main motto is to provide a cozy platform for young creative minds to shred and polish their creative skills so that they can express their feelings and emotions confidently as their expression is given a right exposure.

In this issue of our school magazine we have endeavoured to capture all the creative excellence and imagination that our student possesses. The debut young contributors have come with the fresh ideas, new thoughts, diverse writing styles and painting skills with the promise of proving their mettle.

We would like to express our deep gratitude to our Principal Sir Mr. Kamal Chand for his constant support and encouragement to overcome all the obstacles that came our way.

Hope you have a happy reading as you glide thorough the white leaves of this magazine.

"Limitations live only in our minds. But if we use our imaginations, our possibilities become limit less."

Activity Report (2018-19)

Annual Report of Activities and Competitions 2018-19

Session 2018-19 was full of curricular and co curricular activities. The children were given different activities related to sports, art and creativeness to explore the thrills and chills of being a part of these joyful activities. The basic objective of putting up different activities was to inculcate the values of Oneness, Confidence, Team Spirit and to groom the overall personality of a child.

There were competitions ranging from Hindi Kavita Path, English Elocution, Hindi Extempore, Poetopia, English Poem Recitation, Inter House English Debate, Picture Composition to Spell Well and Show & Tell for enhancing the linguistic skills of the children at all the levels.

The artistic area of children was further widened with many art competitions such as Creative & Amazing Art, Book Cover Design, Outdoor sketching, Make a pen Holder, Photo frame, Clock Making, Diya and Candle Decoration, Card Making, Kite Making, Rakhi Collage Making and Best Out of Waste.

Board Results

Class X

DPS Jhakri proved its mettle by giving 100% Class X result. Out of 69 students, 11 students scored 90% and above, 26 students scored 80% and above, 37 students scored 70 % and above & 57 students scored 60% and above.

Vaani Kapoor outshined with 98.6% and stood first in the school. Mauli Sharma stood second with 94.6% and Archit Gupta stood third with 94.4%.

CLASS XII

Our Class XIII students gave an outstanding 100% result in which 10 Students scored above 90%,

16 students scored above 80% and 40 students scored above 75%.

Shashwat Anand stood first by securing 97.8%, Aarushi Sood stood second by getting 96.8% and Purna Prajapati bagged third place with 93.4%

Shashwat Anand – State Topper in Science Stream (Class XII) (Himachal Pradesh)

Vaani Kapoor – State Topper in Class X.

Shashwat Anand – 2nd in Science Stream (Panchkula Region)

Arushi Sood – 2nd State Topper in Commerce Stream (Himachal Pradesh)

DPS Jhakri organized a myriad of activities and competitions this session. The whole year was packed with fun, creativity and provided a platform to students for exhibiting their potentials in different fields. The mirror image of these activities can be seen at the backdrop in the PPT.

“गंगा का महात्म्यः”

भारत एक धर्म प्रधान देश है। धर्म हमारी पूजा पद्धति, रीति-रिवाज, संस्कार, खान-पान, वेश-भूषा, सामाजिक व्यवहार सभी का परिचायक है। हमारी प्रकृति और जीवन पद्धति के मूल में जल है। अतः हमारी जीवन में नदियों का विशेष महत्त्व है। आज भी हम घर बैठे ही पवित्र नदियों का स्मरण मन्त्र द्वारा करते हैं और उन पवित्र नदियों का आवाहन करते हैं:-

गंगे च यमुने चैव गोदावरि सरस्वति।

नर्मदे सिन्धु कावेरी जलेऽस्मिन् सन्निधिं कुरु ॥

भगवती गंगा जी की पावन महत्ता से वेद शास्त्र उपनिषद् पुराण, रामायण भरे पड़े हैं। वैदिक वाङ्मय में पुण्यसलिला देवी गंगा जी का गौरवगान हुआ है। ऋग्वेद के नदी सूक्त के अनुसार भी गंगाजी सभी नदियों से अग्रणी स्थान पर हैं। श्रीमद्भगवद्गीता के अनुसार गंगा सभी नदियों में श्रेष्ठ है। भगवान श्री कृष्ण ने गीता में स्वयं को, पवित्र करने वालों में वायु, शस्त्र धारियों में राम मछलियों में मगरमच्छ तथा नदियों में गंगा कहा है।

महाभारत के अनुसार गंगा जी को सर्वतीर्थमयी गंगा कहा गया है। पौराणिक साहित्यों में अनेक स्थानों पर गंगा जी के अर्थ उत्पत्ति तथा महिमा का उल्लेख किया गया है।

नारदपुराण के अनुसार गंगा जी के विषय में बताया गया है कि जब सूर्य मेष, तुला, औरा मकर राशि को संक्रमित किया करता है, उस समय गंगा जल का सेवन समस्त जगत को पवित्र करने वाला होता है।

“सेयं गङ्गा महापुण्या नदी भक्त्या निषेविता।

मेषतौलि मृगाकेषु पावयत्यखिलं जगत् ॥ (नारदपुराण, प्रथम खण्ड) 6/29

गंगा जी के अलकनन्दा नामक दक्षिणीय भेद को भगवान शंकर के प्रीतिपूर्वक सौ वर्षों से भी अधिक अपने मस्तक पर धारण किया था। शंकर जी के जल कलाप से निकलकर उन्होंने सागर के पापी पुत्रों के अस्थिचूर्ण को आप्लवित करके उन्हें स्वर्ग पहुँचा दिया था। इस प्रकार ज्ञात होता है कि माँ गंगा की महिमा अपार है। इसका अनिर्वचनीय महात्म्य है। इसके दर्शन, स्पर्श, पान, नमोच्चारण तथा स्मरण मात्र से प्राणी सभी पापों से मुक्त हो जाते हैं। गंगा स्नान की महिमा बहुत अद्भुत है। शेर को देखकर जिस प्रकार मृग आदि वन्य प्राणी डरकर भाग जाते हैं, उसी प्रकार श्रद्धा भाव से गंगा स्नान करने वाले के अज्ञात अवस्था में हुए पाप भाग जाते हैं। भारतीय संस्कृति की विरासत को अक्षुण्ण रखने वाले प्रमुख आधार स्तम्भों में भगवती गंगा का स्थान बहुत महत्त्वपूर्ण है। मनुष्य के सामाजिक, आर्थिक एवं धार्मिक उन्नयन में सुरसरिता के अप्रतिम अवदान को दृष्टिगत रखते हुए मनीषियों ने उन्हें मातृगौरव प्रदान किया है।

Hindi Section

“शेर”

जंगल से निकल शेर शहर की गलियों में आया।
गली की नुक्कड़ में खड़े कुत्तों के मुँह पानी भर आया।

झट से कुत्तों ने गुप्त मंत्रणा की
और फिर जोर-जोर से लंबी-लंबी भूंकन दी।

शेर डरा नहीं और लड़ा भी नहीं
चुप चाप जंगल लौट आया –
और आते ही जंगल में सभा को बुलाया
और सारा हाल यूँ कह सुनाया :
“साथियों, गली के कुत्ते भी अब भौंकने के साथ गुर्राते हैं,
जहाँ भी दिल करता वहीं मुँह मार, लार टपकाते हैं
ऐ मेरे जंगल के शेरों इतना जान लो
कि जब भी शहर जाएँ, कुत्तों को मुहँ न लगाएँ।
और फिर एक दिन अचानक एकाएक कुत्तों ने
भौंकना बंद कर दिया
चारों ओर सन्नाटा छा गया,
जैसे लगता हो फिर से शहर में कोई शेर आ गया

विजय कुमार शर्मा
हिन्दी विभागाध्यक्ष

“आया है नववर्ष”

खुशियों का पैगाम लिए,
आया है नववर्ष।
उमंगे हिलोरे लेती,
मन में है बहुत हर्ष।।

उसकी कदमों की आहट सुन,
जर्ज़र-जर्ज़र मुस्कुरा रहा है।
महक रही है वादियाँ,
अम्बर मेह बरसा रहा है।।
आशीष देती दिशाएं,
हो मंगलमय नववर्ष।
खुशियों के पालने में,
झूल रही हैं तितलियाँ।।
मौसम ने ली अंगड़ाई,
सज संवर गई कलियाँ।
गुनगुना रहे भंवरे,
हो जीवन में उत्कर्ष।।
खुशियों का पैगाम लिए,
आया है नववर्ष।।

कोमल (III-B)

“माँ”

घुटनों से रेंगते-रेंगते,
कब पैरों पर खड़ा हुआ।
तेरी ममता की छाँव में,
जाने कब बड़ा हुआ।

मैं ही मैं हूँ हर जगह,
प्यार ये तेरा है कैसा?
सीधा-साधा, भोला-भाला,
मैं ही हूँ सबसे अच्छा।
कितना भी हो जाऊँ बड़ा माँ,
मैं आज भी तेरा बच्चा हूँ।

महक शर्मा (III-B)

“मेरे प्यारे पापा”

- माँ की कोमल ममता को तो सब ने ही स्वीकारा है, पर पिता की परवरिश को कब किसने ललकारा है।
- मुश्किलों की घड़ियों में अक्सर, मेरे साथ खड़े थे वो, मेरी गलतियाँ थी फिर भी मेरी खातिर लड़े थे वो।
- माँ की गोदी की गर्माहट के बराबर उनकी थपकी, कन्धा उनका बिस्तर मेरा, आँख हल्की सी जो झपकी।
उनके हौसलों ने कभी न आँख नम होने दी,
जितनी भी ज़रूरतें थी, कभी न अधूरी रहने दी मेरी।
- उनकी लाड़ में जो पाया, थोड़ा कड़वापन सही, मेरी खातिर मुझे डाँटा, था वही बचपन सही।
- ज़िन्दगी की दौड़ में अब, अपने पैरों पर खड़े, उनके जज़्बों की बदौलत, मुश्किलों से हम लड़े।
यूँ ही साथ देना पिताजी, क्योंकि आपके साए की नर्म छाँवों में परिंदा भी अपना पर हमपर नहीं हिला सकता।

महक शर्मा (XII-B)

“सफलता शायरी”

- कल न हम होंगे न गिला होगा,
सिर्फ सिमटी हुई यादों का सिलसिला होगा,
जो लम्हें हैं चले हंसकर बिता लें,
जाने कल ज़िन्दगी का क्या फैसला होगा।
- ज़िन्दगी हसीन है ज़िन्दगी से प्यार करो,
हो रात कहीं तो सुबह का इंतज़ार करो,
वो पल भी आएगा जिस पल का इंतज़ार है आपको,
बस रब पर भरोसा और वक्त पर एतबार करो।
- तन्हा बैठकर न देख,
हाथों की लकीर अपनी,
उठ, बाँध कमर और लिख दें,
खुद तकदीर अपनी।
- गम न कर ज़िन्दगी बहुत बड़ी है,
चाहत की महफिल तेरे लिए सजी है,
बस एक बार मुस्कुरा कर तो देख,
तकदीर खुद तुझसे मिलने बाहर खड़ी है।
- सफलता को सर पर चढ़ने न दें,
और असफलता को दिल में उतरने न दें।

महक शर्मा (XII-B)

“मैं और मेरी ज़िंदगी”

लोग बस देखते हैं सिर्फ मेरी ये हसी
जिसके पास रो सकू ऐसा कोई आस—पास नहीं,
वक्त बीत जाता है यूँ ही आते—जाते
मेरा इंतज़ार करने वाला घर में कोई खास नहीं।
लोग बस देखते हैं सिर्फ मेरी ये हसी
मैं जाग रही हूँ और ये चाँद जाग रहा है,
हम दोनों सा इस संसार में काई उदास नहीं

नींद को भी क्या दोष दूँ,
जब मेरे अपनों ने भी मुझे अपना कहा ही नहीं
लोग बस देखते हैं सिर्फ मेरी ये हसी
ऐतबार किसी पर करू तो कैसे
धोखे के अलावा मुझे कुछ मिला ही नहीं
मुस्कुराऊ भी तो कैसे
जब नफरत के अलावा अपनों से कुछ मिला नहीं,
लोग बस देखते हैं सिर्फ मेरी ये हसी।।

आँचल (IX-B)

“आग बहुत-सी बाकी है”

भारत क्यों तेरी साँसों के, स्वर आहत से लगते हैं,
अभी जियाले परवानों में, आग बहुत-सी बाकी है।
क्यों तेरी आँखों में पानी, आकर ठहरा-ठहरा,
जब तेरी नदियों की लहरें, डोल-डोल मदमाती है।
जो गुजरा है वह तो कल था, अब तो आज की बातें हैं,
और लड़ें जो बेटे तेरे, राज काज की बातें हैं,
चक्रवात पर, भूकंपों पर, कभी किसी का जोर नहीं
और चली सीमा पर गोली, सभ्य समाज की बातें हैं।
कल फिर तू क्यों, पेट बाँधकर सोया था, मैं सुनता हूँ,
जब तेरे खेतों की बाली, लहर-लहर इतराती है।
अगर बात करनी है उनको, काश्मीर पर करने दो,
अजय अहूजा, अधिकारी, नय्यर, जब्बर को मरने दो,
वो समझौता ए लाहौरी, याद नहीं कर पाएँगे,
भूल कारगिल की गद्दारी, नई मित्रता गढ़ने दो।
ऐसी अटल अवस्था में भी, कल क्यों पल-पल टलता है,
जब मीठी परवेजी गोली, गीत सुना बहलाती है।
चलो ये माना थोड़ा गम है, पर किसको न होता है,
जब रातें जगने लगती हैं, तभी सवेरा सोता है,
जो अधिकारों पर बैठे हैं, वह उनका अधिकार ही है,
फसल काटता है कोई, और कोई उसको बोता है।
क्यों तू जीवन जटिल चक्र की, इस उलझन में फँसता है,
जब तेरी गोदी में बिजली कौंध-कौंध मुस्काती है।

स्नेहा दुगलेट (IX-B)

“आज तिरंगा फहराता है शान से”

आज तिरंगा फहराता है अपनी पूरी शान से।
हमें मिली आज़ादी वीर शहीदों के बलिदान से।।
आज़ादी के लिए हमारी लंबी चली लड़ाई थी।
लाखों लोगों ने प्राणों से कीमत बड़ी चुकाई थी।।
व्यापारी बनकर आए और छल से हम पर राज किया।
हमको आपस में लड़वाने की नीति अपनाई थी।।
हमने अपना गौरव पाया, अपने स्वाभिमान से।
हमें मिली आज़ादी वीर शहीदों के बलिदान से।।
गांधी, तिलक, सुभाष, जवाहर का प्यारा यह देश है।
जियो और जीने दो का सबको देता संदेश है।।
प्रहरी बनकर खड़ा हिमालय जिसके उत्तर द्वार पर।
हिंद महासागर दक्षिण में इसके लिए विशेष है।।
लगी गूँजने दसों दिशाएँ वीरों के यशगान से।
हमें मिली आज़ादी वीर शहीदों के बलिदान से।।
हमें हमारी मातृभूमि से इतना मिला दुलार है।
उसके आँचल की छाँयाँ से छोटा ये संसार है।।
हम न कभी हिंसा के आगे अपना शीश झुकाएँगे।
सच पूछो तो पूरा विश्व हमारा ही परिवार है।।
विश्वशान्ति की चली हवाएँ अपने हिन्दुस्तान से।
हमें मिली आज़ादी वीर शहीदों के बलिदान से।।

स्नेहा दुगलेट (IX-B)

“वक्त नहीं”

हर खुशी है लोगों के दामन में,
पर एक हसी के लिए वक्त नहीं
दिन-राम दौड़ती दुनिया में
जिंदगी के लिए ही वक्त नहीं
सारे रिश्तों को तो हम मार चुके

अब उन्हें दफनाने का भी वक्त नहीं
आँखों में है नींद बड़ी
पर सोने का भी वक्त नहीं
गैरों की क्या बात करें
जब अपनों के लिए ही वक्त नहीं

सारे नाम मोबाईल में हैं
पर दोस्ती का भी वक्त नहीं
पैसों की दौड़ में ऐसे दौड़े
कि थकने का भी वक्त नहीं
पराये एहसासों की क्या कदर करें,
जब अपने सपनों के लिए ही वक्त नहीं।

तन्वी ठाकुर (VII-B)

“माँ”

बचपन मेरा रोता है उसके आगे
भगवान भी छोटा है।
माँ मेरी खुशियों की चाबी है।
उसके आगे फीका ये संसार है।
माँ का दुलारना, लाड लड़ाना ही
मेरा संसार है उसके आगे औरों
का लाड़ बेकार है।

“पहेलियाँ”

1. एक पत्ता उसके ऊपर एक घूमता हुआ
पत्थर उसके बाहर मुलालई काँटे। बूझो?
 2. एक लड़के ने पूछा कि मेरी माँ की माँ के
पति के लड़के की लड़की मेरी माँ की
कौन हुई?
 3. एक थाली, 12 रसगुल्ले और तीन चम्मच
बताओ क्या?
- उत्तर: 1. आँखें, 2. भतीजी, 3. घड़ी।

“चुटकुले”

एक छात्र ने गणित के अध्यापक से
कहा—अंग्रेजी के अध्यापक तो अंग्रेजी में
बात करते हैं। तो आप भी हमसे गणित में
बात क्यों नहीं करते?

अध्यापक— ज्यादा तीन पाँच मत करो
फौरन नौ—दो ग्यारह हो जाओ, नहीं तो
चार—पाँच रख दूंगा तो छठी का दूध याद
आ जाएगा।

आन्या ठाकुर (VI-A)

“अध्यापक का महत्त्व”

विद्वानों जैसा ज्ञान दे जाते हैं,
जिंदगी के पथ पर चलना हमें सिखाते हैं।
कभी कोई बुरी सलाह ना देते हैं,
हमारे भले के लिए जी—जान जुटा देते हैं।
हमें दुनियां में सबसे महान बनाना चाहते हैं,
हमारे लिए जीवन का हर सुख न्यौछावर कर जाते हैं।
अध्यापक ने जीने की कला सिखाई है,
ज्ञान, चरित्र और संस्कार की हमने शिक्षा पाई है।
अध्यापक हमारे जीवन को उज्ज्वल बना जाते हैं,
सफलता की मुहर हमारी जिंदगी में लगा जाते हैं।
अंधेरे से उजाले की ओर हमें ले जाते हैं,
एक समृद्ध तथा संपूर्ण राष्ट्र की नींव रख जाते हैं।

वारवी पराशर (VI-B)

“ऐसी होती है माँ”

हमारी हर मर्ज की दवा होती है माँ,
कभी डाँटती है माँ, तो कभी गले लगा देती है माँ।
हमारे आँखों के आँसू, अपनी आँखों में समा लेती है माँ।
अपने होठों की हँसी, हम पर लुटा देती है माँ।
हमारी खुशियों में शामिल होकर, अपना गम भुला देती है माँ,
जब भी कभी ठोकर लगी, तो हमें तुरंत याद आती है माँ।
दुनियां की तपिश में हमें, आँचल की शीलत द्वारा देती है माँ,
प्यार भरे हाथों से, हमेशा हमारी थकान मिटाती है माँ,
बात जब भी लजीज खाने की, तो हमें याद आती है माँ।
भगवान भी जिसकी ममता के आगे,
झुक जाते हैं, ऐसी होती है माँ।।

श्रद्धा मेहता (VI-B)

“प्रातः काल की सैर”

प्रातः काल में हल्का-हल्का टहलने से भी मन में खुशी मिलती है। सुबह के समय घूमना-फिरना एक ऐसा व्यायाम है जिससे हमारे शरीर को बहंत सारे लाभ मिलते हैं जैसे सुबह की सैर करने से हमारा दिमाग तरोताजा हो जाता है इससे हमें दिनभर काम करने की शक्ति मिलती है और हम कई बिमारियों से बचे रहते हैं। सुबह की सैर पर जाते समय हमेशा खुले कपड़े ही पहनकर जाना चाहिए। हमें दौड़ने की बजाए तेज चलने की आदत डालनी चाहिए। चलते समय गहरी और लम्बी सांस लेते रहना चाहिए इसके अलावा हरी घास पर नंगे पांव चलना चाहिए। प्रातः काल सभी के लिए संजीवनी का कार्य करती है।

प्रातः काल सैर करने से मनुष्य की उम्र भी लम्बी होती है जो लोग यह सैर करने का आनंद नहीं उठाते हैं वो खुद अपने शरीर को हानि पहुंचाते हैं। ऐसा आपने जरूर सुना होगा जल्दी सोने से स्वास्थ्य और सुबह की सैर अत्यंत आनंददायक कार्य है। यह कार्यारंभ का सर्वश्रेष्ठ आयोजन है। यह प्रकृति से साक्षात्कार का एक सुन्दर तरीका है। यह दिन भर तरोताजा रहने के लिए उत्तम उपाय है।

मोहित चौहान (VIII-A)

“माँ”

हर बच्चे की पुकार है माँ
मेरी सबसे अच्छी यार है माँ
रोंने पे चुप कराती है माँ
अच्छा-अच्छा खाना खिलाती है माँ
दर्द में याद आती है माँ
मुझको खूब हँसाती है माँ
गलतियों का अहसास कराती है माँ
हमको हर चीज़ सिखाती है माँ
भरपूर प्यार देती है माँ
बदले में कुछ न लेती है माँ
शौक पूरे कर लेती है माँ
थोड़ा-बहुत डाँट देती है माँ
जान छिड़कती है हम पे वो
दे देती है जो माँगे सा
दिल होता है माँ का साफ
कर देती हर गलती को माफ
भगवान का वरदान है माँ
हर बच्चे की जान है माँ।।

अशोक कायथ (VIII-B)

“पं. जवाहर लाल नेहरू”

आजादी से हम रह रहे हैं, देखो इस जहाँ में
धन्य-धन्य वे नेहरू लड़े शान्ति के मैदान में।
आन पड़ी थी भारत पर निकला तीर कमान से,
मोती के घर से जवाहर निकला छोड़ शाही निवास।
शिक्षा पाई विलायत गए मगर लग्न कमाल थी,

भारत में इन्हीं दिनों गांधी ने जलाई मशाल थी।
इसी बाग को गांधी ने खून से सींचा
जवाहर ने की रखवाली,
शत-शत प्रणाम मोदी जी को
जो अब इस बाग के हैं माली।

संदीपना (VII-B)

लघु कथा

“ईमानदार बूढ़ा व्यक्ति”

एक गाँव में एक बूढ़ा व्यक्ति अपने बेटे—बहू और पोती के साथ रहता था। उसके बेटे की एक गंभीर बीमारी से मृत्यु हो गई और उसका बेटा ही घर में कमारे वाला था। उसकी बहू भी अधिकतर समय बीमार ही रहती थी। उसके पति की मृत्यु के बाद से उसकी बेटी मिट्टी के घड़े बेचकर प्रतिदिन 100 रुपये कमाती थी। वह करीब आठ साल की थी। अपनी माली हालत को सुधारने के लिए उस बूढ़े व्यक्ति ने दुकान में काम करना शुरू कर दिया और एक दिन अपनी बिमार बहू की दवाई लाने के लिए अपने मालिक से पैसे मांगे तो उसके मालिक ने मना कर दिया तब वह बहुत दुःखी हुआ। वह सोचते हुए रास्ते में जाते हुए 500 रुपये का नोट गिरा हुआ मिला जोकि उससे आग्र जा रहे व्यक्ति की जेब से गिरते हुए उसने देख लिया था। उसने तुरन्त वह 500 रुपये का नोट उठाया और आगे जा रहे व्यक्ति को आवाज़ देकर उसे वह नोट वापिस दे दिया और अपनी राह आगे बढ़ गया। तभी उस व्यक्ति ने उस बूढ़े व्यक्ति को 500 रुपये का नोट देकर कहा कि यह तुम रख लो यह तुम अपनी ईमानदारी का ईनाम परन्तु उस बूढ़े व्यक्ति ने इन्कार करते हुए कहा कि मैं गरीब हूँ तो क्या हुआ साहब बिना मेहनत किये किसी से भी पैसे नहीं लेता। तब उस व्यक्ति को उस बूढ़े की ईमानदारी पर आश्चर्य हुआ और वह सोचने लगा की ईमानदारी अभी भी जिन्दा है और फिर उसने उसके घर का पता पूछा और दोनों अपनी—अपनी राह चले गए। अगले दिन प्रातः वही व्यक्ति उस ईमानदार बूढ़े के घर आया और उसे 500 रुपये देकर कहा कि यह पेशगी के रूप में अपने पास रखें और आज से आप मेरे आफिस में मुंशी की नौकरी स्वीकार कीजिए।

अराधना नेगी (VI-A)

“प्रकृति का संदेश”

चिड़ियों से है उड़ना सीखा,
तितली से इठलाना।
भंवरो की गुंजन से सीखा,
राग मधुरतम् गाना।
तेज लिया सूरज से हमने,
चांद से शीतल छाया।

टिम—टिम करते तारों की,
हम समझ गए सब माया।
समय की टिक—टिक ने समझाया,
सदा ही चलते रहना।
मुश्किल कितनी आन पड़े,
पर कभी न धीरज खोना।
प्रकृति के कण—कण में हैं,
सुन्दर संदेश समाया।
ईश्वर ने इसके द्वारा जो,
अपना रूप दिखाया।

श्रेष्ठी राठौर (VIII-B)

English Section

A Tribute!

A small bud I was when I entered Delhi Public School

Oh! that day was so awesome & cool.

A student of class 6th having that passion & desire

A strong affinity to excel & aspire

Very much thankful to my "Guru"

who acknowledged my talent

& brought out a diamond

with shine abundant.

But you were the one who guided me throughout

You were my definition of perfect all about

I still remember the day you chose me for interhouse English Debate.

That very most day was a memory to create

In my every competition

You were my guide & my inspiration.

Your sweet words give me butterflies

Your nature is like shining star in night sky

You are the only one whom I used to approach in troubles

Your presence is like a bubble

Soft, tender & mild

Always Generous & kind

Just like a cell wall-permeable

You accepted my flaws & made me stable.

PLASMODESMATA :

Connection b/w two cells

When I am with you, your caring side is the only place to dwell

Amplified sound reaches - Fenestra ovalis

Your way of appreciation gives me divine bliss.

The four swellings in Brain are- Corpora Quadrigemina

Just line my mum you taught me to adjust in every arena.

Thank you for correcting my mistakes for acknowledging you, I really don't know What it will all take?

Brain has neuron

Kidney has nephron

as functional units

you are among those people in my life who deserve all my credits!!

Like a Friend, you gave me courage in hard times to dive.

Like a teacher, you gave me lessons for life

Encouraged me to strive towards excellence

you are like a beautiful flower which spreads its fragrance.

A person who always deserves to be cherished whose scoldings are loving & give me blemishes

Constantly supported me in every walk

Be it academics, co-ccurricular & many more.

100/100 is your score.

Gorgeous, efficacious, ecstatic & adorable

Its remarkable, the way you make your students comfortable.

Personally, you guided me like my mother

Honest-to-goodness, like you there is no other.

Always covet to have your blessings perpetual

Your appreciation eternal

Care & Love evermore

& your 'Fikr mat kar tu kar legi' forevermore.

I am feeling short of words to express my gratitude

May this piece of writing expresses my tribute.

Thankyou! for turning my imperfections

In the lure of ever lasting impressions.

An admonition of all

My all time favourite

The amorous & loving - DAMANJIT KAUR!

Sakshi Negi (XI-A)

An Open Letter

To
My Batchmates
Session 2018-19
Delhi Public School, Jhakri
Friends,

It's been almost two months now that I am trying to write an article for the next edition of our school magazine. But I am not able to find any subject interesting enough. Already different articles on various subjects have been submitted to the editorial board by almost all of you. Infact, I should say it without a bid of hesitation that we the members of editorial board had a tough time selecting the articles. We were forced to be selective as the commemorative volume had to be limited in size.

You all left me with little or no choice. I am not finding any topic on which to jot down some lines. So, I have decided not to write anything, "instead of wasting paper & writing nothing worth is simply not me you know!"

What should I write? Shall I write about this place? Remember our first feeling on seeing the corridor of classes XI & XII? Oh God, is this the place, I have to spend whole two years? Remember, how excited we were for the first few days or shall I write how we used to thank God for sparing us from Class-tests? I can write about the curriculum or the strict discipline - the way we used to complain every morning about our extra classes in the assembly time.

How indebted we are for these things which have become a part of our lives, the theory classes of Physical Education which seemed never ending at times & interesting at the next moment & how grateful we are to our teachers for their support. These two years XI & XII are the best time of our life, where we experienced the "MOCK TESTS" of ups & downs - highs & lows of life.

The teacher including the very special ones with their brand of style & humour. After all who can forget these lines -

"Jitne Maze Karne The Kar Liye 10th Tak! Ab Shuru Hoti Hai Padhai". or some sarcastically humorous ones like - **Bhai, Humne Toh Apne Pure**

Teaching Career Mein Tum Jaise Students Dekhe Hi Nahi! The most non-serious batches of XI & XII.

Shall I write about the everyday tiffins we had during our free periods or about the last moment discussion during unit tests? About how much we used to fight with each others & the patchup thereafter. I can write about how we supported each other during examination without any prejudices, the books & notes we shared.

The bond that we shared in these years is unbreakable, eternal & relentless. Not known by our streams but by our friendship!

I am feeling tempestuous & short of words to appreciate all of you my friends whose presence made me complete. The special ones whose smiles used to light my day up & rejuvenate me! without whom it would be futile to imagine our best moments!

It is a commendation to all my near & dear ones without whose support & endearing presence I would have lacked somewhere, whose support made this time fly within a blink of eye.

Tomorrow, some of us are going to be doctors, engineers, economists while others will co-ordinate the financial markets & will strive towards excellence in their respective fields. No doubt, the barriers of occupations & lifestyle will drift us apart after a year but still the mental presence will remain there though physically we will be miles apart!

So many hands on a single tiffins box, everyday party in the canteen are the characteristics of my friend circle which is an indispensable part of the memories.

So, you see, I didn't have any topic & I didn't write anything. But just because I didn't write anything for the magazine, you all can't forget me!

With these words, I present this letter to my intimates & do believe that wherever we will go, we will be connected by heart & keep the name of our esteemed institution & our tag "DIPSITES!" always high. I wish that all of us will succeed in our life & above all become good human beings.

In the end, I would like to finish this letter on a more practical & nostalgic note -

Abki Baar Jo Bichade to Shayad Khwabon Me Milein Jaise Sukhe Hue Phool, Kitabon Me Milen.

With this, I drop my pen!

Sakshi Negi (XI-A)

Surely It is women's world

If a girl laughs, she is Jolly person
 If a boy laughs he is mannerless.
 If a girl loves silence she is sober
 If a boy loves silence he is dull.
 If a girl puts on a unique dress it is fashion
 If a boy puts on a unique dress he is a joker.
 If a girl moves together they form a company
 If a boy moves together they form a gang
 If a girl eats much she is encouraged
 If a boy does so, he is a glutton.

Good Thoughts

Do not swelled up when people praise you and
 do not feel defected when people blame you.
 The present is a product of the past but it is
 also the seed for the future.
 Education is not for a merit living but for a
 meaningful life.
 Plan your future before that's whose you are
 going to spend the rest of your life.
 You never get a second chance to make good
 first impression.

Aditya Mehta (VI-A)

The brain we can't control

We've all found ourselves in problematic
 situation of our own making, even when
 striving for self-improvement. He know what
 we expect from ourselves but still realize we
 made decisions totally counterproductive to
 those expectations It shouldn't surprise you

that this is especially common with teenagers.
 People can be quick to judge the behaviour of
 teenagers, but its confusing and frustration
 point in life when it can be hard to align your
 intentions with your actions. There's actually
 science behind this.

Anavi Chauhan (VI-A)

Bad Temper

There once was a little boy who had a bad
 temper. His father gave him a bag of nails &
 told him that every time he lost his temper,
 he must hammer a nail into the back of the
 fence.

The first day, the boy had driven 37 nails into
 the fence. Over the next few weeks, as he
 learned to control his anger, the number of
 nails hammered daily gradually dwindled
 down. He discovered it was easier to hold his
 temper then to drive those nails into the
 fence.

Finally the day came when the boy didn't
 lose his temper at all. He told his father about
 it & the father suggested that the boy now
 pull out one nail for each day that he was able
 to hold his temper. The days passed & the
 boy was finally able to tell his father that all
 the nails were gone.

The father took his son by the hand & lid him
 to the fence. He said, "you have done well, my
 son, but look at the holes in the fence. The
 fence will never be the same. When you say
 things in anger, they leave a scar just like this
 one. You can put a knife in a man & draw it
 out. It won't matter how many times you say
 I'm sorry. The wound is still there.

A verbal wound is as bad as a physical one.

My experience at B.A.R.C.

It was a pleasure for me to get a chance to visit Bhabha Atomic Research Centre, Mumbai which is a dream place for every science student. B.A.R.C. is India's premier Nuclear Research Centre.

As many as 11 Students from Himachal, who have qualified the "State Level Camp" on the basis of their performance in the field of Science, took part in Vidyarthi Vigyan Manthan (VVM) at BARC held on 12th and 13th May, 2018. The National camp was organised by VIBHA National movement for the propagation and popularisation of Science and Technology among students, in collaboration with NCERT and Vigyan Prasar, an autonomous organization under the department of Science and Technology.

Altogether 230 students out of selected 276 attended the national Camp.

The evaluation was conducted at DAE convection centre. A special session was organised for parents at the training centre of BARC, in which various speakers delivered their lectures on various aspects of ancient Indian Science and Modern Science.

Padma Vibhushan and former principal scientific advisor to Govt. of India Dr. R. Chidambaram was the Chief Guest at inaugural function. During 2-day programme prominent scientist and mathematician of India delivered lectures on various topics. It was a dream come true for me and other students to listen and interact with them.

The Evaluation was done on the basis of various activities involving creativity, Scientific skills, leadership skills, team work and out of bod intelligence.

The programme was highly appreciated by parents, teachers and also by students.

It was a platform that ensure holistic development of the child. I really enjoy this wonderful experience of my life.

Mehar Thakur (VII-B)

Our World History

Our World History! what is History? so many questions are floating in my mind. I was always glad to know about history what is the 'Indus valley civilization' How it was developed nothing sure, all depends on our guesses it's all about History in our present world people are riding big-mega powerful cars people riding those cars somehow thought there will be no cars if there will be no wheels. Invention of wheel is a source of development in present generation Nobody cares about it they only known how to ride a car. Actually, they did not know if there were no cars, nothing early man who made the world touching thoughts of development and made the new world touching heights of development and made the new world better than else. All the inventions of early man we are depend upon without them there will be no world, no life and nothing. So people of new generation should think about it. History is the heart of world.

Beyond My Dreams

Dream of mine is to succeed in my life, there is something that can not be seen but I feel from my heart. Success matters alot. Difficulties are the stepping stones to success. Don't hope for result concentrate on your hard work if it is real. Then the result kisses your hard, work and strength. It is said by someone that -

फल की आशा मत करो, अगर तुम मेहनत करोगे तो फल अपने आप ही मिल जाएगा।

Success is not a big deal it is just a key of life unpick open's a beautiful world before you. Success makes our lives more better than else. It decorates our life with Happiness Hard work, Success makes your life with full of happiness. This is the secret of success. This is the mystery of hard work.

Amrisha Sharma (VI-A)

Top Tips to Score the Highest Marks

Always feel positive:- Positive attitude is the key to solve many of the problems which you face in your life. during exam time, this is an important feature to have in you for success and crack your exams with flying colours. Positive attitude will take you through the door of success and make you feel full of self-confidence.

Plan well for studying:- You must have a schedule for your studies followed by strict implementation of that schedule. Make that schedule detailing days or even hours when your exams are really close or it is high time for your exam. You must study more or give more attention to the topics in which you feel you are not up to the work. Try to solve last 5 years question papers for a great success.

Just before the exam :- Never try to read anything or to study or cram just before the exam time, even if your friends asks you for some topic he has missed or left during preparations for exams. Start feeling relaxed worry free and full of self-confidence. confidence is the main key to score well. Just before the exam try to meditate for 3-5 minutes to make yourself calm / compose.

During exam time :- Check out all the things you require for the exam. Small or Big everything is necessary. Read all the instructions carefully before starting the paper.

Attempting the examination paper :- Read out all the questions carefully before writing anything on the answer sheet & always start your writing from the questions that carry maximum marks as well as which you think are tougher or need much time to think. When you start the exam from the small marks question you will always feel the burden of questions left.

When you feel stuck during the exam :- There will also come a moment when you feel stick with some questions or a single question. You just need to be relaxed & calm, don't panic in that situation and make yourself confident and try to think about the answer with a cool mind.

Never try to think about the 'Stuck' question when

you are writing the answer to any other question. This will reduce your concentrations & when you feel no way out, just make a guess & attempt that question.

Answer sheet should be neat and clean:- Handwriting matters a lot for good or highest marks during your exam, as your writing makes the first impression on the checker's mind & makes your answer sheet more filled with a glow for the examiner or checker of the answer sheet. Highlight the important points that you feel which held you in fetching maximum mark in that particular question.

After completion of exam paper :- When you end the exam paper, don't feel like running out of the examination hall. Sit there & review each and every answer before depositing your answer sheet to the invigilator. Search for mistakes or some important points that you can add in your answer. Review it properly & then submit the paper.

Follow these points your exam will be a great one!!!

How to stay focused

Focus is the key to success....."

Be interested:- You cannot concentrate on studies if you are not interested in what you are reading or what you are being taught by your teachers. Try to imagine the things & try to link it with your day to day activities.

Be Relax:- You are relaxed when you are at peace with yourself. Meditate for 3-5 min. & then study. Your concentration will increase and you will start grasping things easily.

Try to study three different subjects per day; changing tasks produce a new energy surge.

Do not engage or tire yourself just before you sit for a test or a study/period. You should be relaxed before you engage in the task which requires: thinking, concentration etc.

Ensure that you are not hungry, thirsty, sleepy, tired and don't need to go to the toilet before you sit to study or give a test. This will make sure that there are no unnecessary interruptions.

Take proper breaks. Do not study for long time as brain also requires some break. If you don't take a break you will start feeling uneasy, irritating with the subject & your concentration will also go low. So, after 2 hours of study take a break of 5-10 min. in which you can walk in the room or you can meditate & take some air from the greenery surrounding.

Soomo Jyoti Banerjee (XII-B)

ARYABHATA

Aryabhata was an acclaimed Mathematician Astronomer. He was born in Kusumapura present day Patna in Bihar, India. His contribution to Mathematics, Science and Astronomy is immense and yet he has not been accorded. He is recognised in the world history of Science. At the age of 24 he wrote his famed "Aryabhatiya". He was aware of the concept of ZERO, as well as the use of large number up to 1018. He was the first to calculate the value of "PI" accurately to the fourth decimal point. He devised the formula for calculating area of the triangle and circle. he calculated the circumference of the earth as 62832 miles. Aryabhata work was of great influence in the Indian Astronomical Tradition and influenced several neighbouring culture through translation. He correctly asserted that the planet shine due to the reflection of sunlight and that the eclipse occurs due to shadows of moon and earth, and not caused by a demon called "Rahu" Aryabhata dies in 550AD. India first satellite Aryabhata is named in his honour.

Ajay Sharma (X-B)

DISCIPLINE

Discipline is not only necessary but also vital for any civilized society, as a matter of fact, discipline and Nature are synonymous with each other and whenever anything happens, which defies or interrupts the usual in Nature, it becomes a calamity, and similarly life without discipline can become chaotic.

The term 'discipline' means any training intended to develop moral character or

Most Hilarious Maths Equation ever

No study = Fail {LHS = No study, RHS = Fail}
 Study = No Fail {LHS = Study, RHS = No Fail}
 Adding LHS and RHS of both equations -
 No study + Study = Fail + No Fail
 Study (No + 1) = Fail (No + 1)
 Cancelling (No + 1) from both sides -
 STUDY = FAIL ???

Unbelievable Facts

No a dark night, your eyes can spot a match being struck about 80 km away!

If you used all power produced by your muscles in one day, you could through your dad's car about 15 meters in the air!

In December 1916, the Alps were covered in deep snow. A soldier shouted loudly, "Nice Scenery!". The next moment, the forces of sound waves started avalanches that killed nearly 5000 soldiers.

Spider's web is made of a special kind of silk, which is 10 times tougher than Kevlar, an alloy used to make jetplanes and swords!

If the whole story of life was written in a 1000-page book, then humans would appear at the last two lines of the last page of the book!

The first heroes on the earth were just 30 cm in length. Ride one of those horses and you would squash it flat!

Aakash Thakur (X-B)

produce a particular pattern of behavior accepted by different institutions and society.

Discipline is a way of life. It is vital in shaping one's Personality. According to one school of thought, there are three forms of discipline i.e. expressionistic, impressionistic and self-discipline

Anshika Bhargava (IX-A)

Importance of fruits and vegetables in one's life

Everyone needs to Eat more fruits and vegetables

A growing body of research proves that fruits and vegetables are critical to promote good health. In fact, fruits and vegetables should be the foundation of a healthy diet. Most people need to double the amount of fruits and vegetables they eat every day.

Fruits and Vegetables Fight to Protect your health

Fruits and vegetables are packed with essential vitamins, minerals, fiber and disease-fighting phytochemicals. Because of this, eating plenty of fruits and vegetables everyday can help reduce our risks of"

- Heart disease
- High blood pressure
- Type II diabetes
- Certain cancers

Fruits and vegetables contain powerful phytochemicals

Fruits and vegetables have many important phytochemicals that help "fight" to protect your health. Phytochemicals are usually related to color. Fruits and vegetables of different colours like green, yellow, orange, red, blue, purple and white contain their own combination of phytochemicals and nutrients that works together to promote good health.

Fruits and vegetables and weight management

Because they are low in calories and high in fiber, fruits and vegetables can help us control your weight. By eating more fruits and vegetables and fewer high-calories foods, you'll find it much easier to control your weight.

Fruits and vegetables and energy

Busy lives require food that's nutritious, energizing and easy to eat on the go like fresh fruits and vegetables. Fruits and vegetables are a natural source of energy and give the body many nutrients you need to keep going.

Aarushi Anand (IX-A)

Why English is hard to learn

We'll begin with **box**; the plural is **boxes**,
But the plural of **ox** is **oxen**, not **oxes**.

One fowl is **goose**, and two are called **geese**,
Yet the plural of **moose** is never called **meese**.

You may find a lone **mouse** or a hose full of **mice**;
But the plural of **house** is **houses**, not **hice**

The plural of **man** is always **men**,

But the plural of **pan** is never **pen**,

If I speak of a **foot**, and you show me two **feet**,

And I give you a **book**, would a pair be a **beek**?

If one is a **tooth** and a whole set are **teeth**,

Why shouldn't two **booths** be called **beeth**?

If the singular's **this** and the plural is **these**,

Should the plural of kiss be ever **Keese**?

We speak of a **brother** and also of **brethren**,

But though we say **mother**, we never say **methren**.

Then the **masculine** pronouns are **he, his and him**;

But then imagine the **feminine**... **she, shis and shim**!

Ananya Gupta (IX-B)

AIMS

What is your aim in Life?

Everybody has an ambition in his life to do something and to achieve something in better and different manner. Ambition means a strong desire to do or achieve something in the life. Ambition gives us aims, objects, goals and targets of life. It gives us a sense of direction and motivation towards our goals in the life.

A man without an Aim in life is merely a toy of circumstances. He drifts aimlessly and can never achieve success in his life.

Deepali Ranjna (VI-A)

A Friend is like.....

A friend is like a forest,
Or a lovely, calm blue sea,
A refuge from life's problems,
As only a friend can be.

A friend is like a song,
Soothing to the brain,
Distracting us from trouble,
Neutralizing pain.

A friend is like some ice cream
On a sweltering summer day,
Making life delicious,
In a friend's own special way.

A friend is like a blanket,
Bringing peace and rest,
A cocoon of warmth and pleasure;
When we are tired or stressed.

A friend is a bit of everything
That makes life good and sweet,
And you, my friend, are all that;
You make my life complete!

A Beautiful Mind.....

I have known a beautiful mind
A mind that never ceased to work
A mind that wove webs of thoughts and emotions
I have known a beautiful mind
that stored beautiful memories within
A mind that never ceased to be amazed
With the wonders of this world

I have known a beautiful mind
That would be fascinated with a butterfly on a wing
And a mechanical concept
With the same intensity and passion

I have known a beautiful mind
that sang song of love
Laughed with mirth
Danced with the seasons
And thoroughly enjoyed it

Today when I look at your vacant smile
I hope your beautiful mind
Is still playing those songs you love
And showing you the visions of a time bygone
Today your tired eyes
Droop with fatigue
Of having seen, felt and experienced
A lifetime of memories.

Amya Gupta (IX-B)

Swachh Bharat Abhiyan

According to a survey, over 26 million people in India defecate in the open. Around 60% of Indians do not have access to safe and private toilets. Such overwhelming majority of those without access to sanitation facilities poses a formidable obstacle in the development of the nation.

In this backdrop, P.M. Sh. Narendra Modi started

the Swachh Bharat Abhiyan or Clean India mission to address the challenges of water, sanitation, any hygiene on 2nd October, 2014 at Rajgarh, New Delhi. This flagship programme of Union Government aims to realize the dream of a clean India by October 2nd, 2019, the 150th birth anniversary of late Sh. Mohan Das Karam Chand Gandhi Ji.

Ishan (VII-A)

Importance of Schools

Schools provides a structured education and promotes a child's mental and psychological growth. Aside from learning academics, a child will also learn other important life skills such as teamwork, good manners, unity, sharing, and responsibility. children are like sponges that will absorb almost everything that is taught to them. By allowing them to learn in a school setting while they are young, they can be molded into good, responsible, and hardworking individuals. The role of school in child development begins as early as pre-school and continues through childhood.

Classrooms will be typically divided into different learning areas, each equipped with materials that are developmentally appropriate for the age of the child. In preschool, for example, kids can begin performing tasks such as counting and reciting the alphabet in preschool, which are building blocks of the more complex tasks such as arithmetic and reading.

Vanshika Dhiman (IX-A)

Success

Real success are made,
Not dropped aside your door.
They aren't thought you made one night,
While wishing upon a star.
Real success are thought,
To be given to only the great.
They think that they work just as hard,
And they should have that fate.
Real success are because,
Of someone making it so.
They fight for it and work really hard,
To make their success grow.
Real success are envied,
And rumoured on how they were made.
People can be so jealous,
And even want to betray.
But you know how real successes,
Are build with hard work and care.
You've made your way to the top,
I am so proud to see you there.

Kasvi Thakur (IX-A)

Mom

You are the sunlight in my day
You are the moon I see far away
You are the tree I lean upon
You are the one that makes troubles be gone
You are the one who taught me about life
How not to fight and what is right
You are the words inside my song
You are my love, my life, my mom
You are the one who cares for me
You are the eyes that help me see

You are the one who knows me the best, when
its time to have fun and time to rest
You are the one who has helped me to dream
You hear my heart and you hear my screams
Afraid of life but looking for love
I am blessed, for god send you from above
You are my friend, my heart and my soul
You are the greatest friend I know
You are the words inside my song
You are my life, my love, my mom.

Benefits of Homework

Most of the time we hear that homework should not be given to the students, so that they have lots of time to learn their subject which is taught in school.

But I feel there are many benefits of homework as we should concentrate on the topic independently and force our mind to think what is taught in the class room.

Homework also improves our writing skill and habit of learning.

Homework also develops in us the sense of responsibility and the things we learn at school.

The benefit of homework is that it allows students and teachers to work more closely together. They can discuss their assignments or any problem that they are having with part of their textbooks, before or after classes.

The other benefit of homework is that it can bring families closer together as students may ask their parents or siblings for help on their homework. Not only will this help the students get better understanding on their work with any part they stuck on, it will also allow parents to get more involved in their educational life.

Doing homework will also prepare the students for the big end tests. If a child does poorly on an assignment then they will learn what is necessary to do well on the next test without get punished. It also provides students with the opportunity to practice at what it takes to be successful in school life. Like the say, Practice Makes Man Perfect.

Doing homework is also a great way to develop responsibilities.

By being assigned work one day and knowing that it has to be done by next day, this will develop a sense of punctuality by doing their work on time.

Shraddha Sharma (VII-A)

The day you got to know yourself.....

Sitting in a corner of your room

You realize the failures you made in your life

You feel yourself to be lost in the crowd

But don't let your defeat take on to yourself.

Don't feel yourself to be more or less

Just close your eyes and loose onto yourself

Try to remember beautiful things around you

Try to find out what you have got best in you

Just let your failures make you successful

Because each time you made one

You got to know a different way to success.

And the day you would get to know yourself

Is all what will make the difference

All the doors would be unlocked

Which make their way to happiness and success.

Never look back at the lost moments

Just catch the new one

Try to gain contentment in what you do

It's just the time you would know-

The right key to your door to the heights

So arise and walk in through your dreams

Cut cross the obstacles and you are the first one to reach

Feeling lucky to be lost you make yourself unique in the crowd

And the difference is that what all you make.....

To prove your worth in the world around.....!!!!

Ritika Thakur (IX-A)

Music

Music is the best option for everyone to be happy and busy in life. In such a busy, crowded and corrupted world where everyone want to hurt anybody anytime, music plays a great role in making us happy in our difficult time and give lots of relief to our mind. I realize in my life that music is a great tool of being happy always.

Music is more than the meditation and yoga as it benefits a lot to both body and mind. We can listen music through the day. It is a very good habit to listen music. Listening music is my passion and it is the secret of my life to be healthy and always happy. It is a God gift to me which I ever use for my wellness and always instructs other to take help of the music. Listening music is good if we listen it for particular time not the whole day, sometimes it affect our studies.

Payal (IX-C)

Friends

Sometimes we have friends and we sense that our souls are very closely connected. We know that the connection is above time and space. We know that whenever we are in our lives we will always remain friends. Even if we do not see each other for years we are able to pick up right where we left each other. This is what people mean when they say friends Forever.

Shweta (X-A)

Ocean of Life

Under the light of night.....
I travelled through the ocean life
Standing on the boat of opportunities
I saw the waves were shining bright
My boat was moving from left to right
which put me in a little fright
My soul was trembling at that night
But my heart was flying like a kite
I saw the sky full of dark
And found that moon was busy in its' lark
My soul shone in the dark
As I found the direction's mark
I felt the ocean is a havel's park
And my fear was like dog's bark
I found my mind was quite sharp
And understood that I could reach at the edge
Even at the dark..... Even at the dark.....

Tejal Bhardwaj (X-B)

Life is a Game

Life is beautiful, life is a game,
Sometimes it leads to fame,
But sometimes it brings you shame,
Life if full of problems and pain,
But you have to fight and get up again and again.
So get up and chase your dreams,
If you want to be one of the supremes.
Life is a game, which is hard to him,
So, from now you have to begin.
You have to work hard day and night,
If in this world, you want to shine bright.
Soon you will be one of the superstars,
And then, the future will only be yours.

Aastha Verma (IX-C)

My experiments with Baking

Yesterday I baked some cakes
 Vanilla chocolate and red velvet
 Round rhombus and heart in shape
 Being a vegan I can't use eggs
 Googled it, and recommended to
 Use banana or tofu instead
 Gave it a shot, well less of a cake
 They were more like banana bread
 A friendly advice, don't add extra
 Sodium hydrogen carbonate or
 It will flow like spring fountain
 Snicker doodles, butter and Choco
 Chip cookies are the classes
 Preheating the oven is so basic
 Frost glaze your cakes and cupcakes
 Pipe them all with grace

Tewsha Thakur (IX-A)

Stop saying I am fine.....

It's not a common sight when people ask us how are you and we just say, "I am fine, thank you". But don't you think it is quite boring when we answer the same to the same question always?? So let us see what else we can reply to the most common question.....

- On Monday, you can say, "I am gearing up for the week".
- On Sunday you can say, "having a lazy Sunday".
- "Give me a chocobar and I will be better."
- When you meet a person say, "you are here and I feel better."
- Feeling lovely and you???

Giving these reply the other person would feel enthusiastic and so as you.....

Ridhima Gupta (IX-A)

Importance of friends

It is rightly said, "Friends are the family we choose ourselves". It is as important to have friends as it is to have a family. Good friends help, guide and support us at every stage.

Friends give us emotional support. They help us during difficult times and make us feel special. Blessed are those who have true friends in life. Everyone needs good friends to live life fullest. If we have friends around our life becomes joyful and interesting instead of becoming dull. We can share our thoughts with them. Having good friends around us

help in bringing about positivity and emotional upheaval.

Friendship is known as to be the most beautiful relationship in the world. We choose our friends on our own unlike our family members and relatives who form a part of our lives whether or not we want them to. A person who has a bunch of good friends around is happy. I am lucky I have some really amazing friends around. They are my pillar of strength and as important to me as my family. Without them my life would have been extremely dull, than those who don't.

Priyanka Chaudhry (IX-B)

Women Empowerment

Women empowerment has become the buzzword today with women working alongside men in all spheres. They profess an independent outlook, whether they are living inside their home or working outside. They are increasingly gaining control over their lives and taking their own decisions with regard to their education, career, profession and lifestyle.

With steady increase in the number of working women, they have gained financial independence, which has given them confidence to lead their own lives and build their own identity. They are successfully taking up diverse professions to provide that they are second to none in any respect.

But while doing so, women also take care to strike a balance between their commitment to their profession as well as their home and family. They are playing multiple roles of a mother, daughter, sister, wife and a working professional with remarkable harmony and ease. With equal opportunities to work, they are functioning with a spirit of team work to render all possible co-operation to their male counterparts in meeting the deadlines and targets set in their respective professions.

Women empowerment is not limited to urban working women but women in even remote towns and villages are now increasingly making their voices heard loud and clear in society. They are no longer willing to play a second fiddle to their male counterparts. Educated or not they are asserting their social and political rights and making their presence felt, regardless of their socio-economic backgrounds.

While it is true that women, by and large, do not face discrimination in society today, unfortunately, many of them face exploitation

Life May Be Hard

Don't stop and scream at the pebble that made you fall.

If you can't get up, at least crawl.

You gotta move forward

And never be cornered

By the thoughts that created an invisible boarder.

Life is hard

Life may leave some scars,

But never be afraid

Of what lies ahead

You can get through

You just need some faith

You just need some faith

And the belief that everything works out for the best.

When life gets you down, you gotta bounce back up.

No matter how hard, you have to get up.

Life may be hard,

But it can also be fun.

Explore different paths

And hold up your flag

The flag is the symbol that you've made it far.

Rohil Verma (IX-B)

and harassment which can be of diverse types: emotional, physical and mental.

Women empowerment, in the truest sense, will be achieved only when there is attitudinal change in society with regard to women fold, treating them with proper respect, dignity, fairness and equality. The rural areas of the country are, by and large, steeped in a feudal and medieval outlook, refusing to grant women equal say in the matters of their education, marriage, dress-code, profession and social interactions.

Let us hope, women empowerment spreads to progressive as well as backward areas of our vast country.

Nishtha Sharma (IX-B)

Perfect Protagonist

There I was, eyes closed
sitting all alone, there in the corner
listening solemnly to that only song
entering another universe
wishfully thinking of the story
being embedded by that lyricist
mindlessly dreaming of all the things which
could never happen but.....
was still happy to be that perfect protagonist

You are Pretty

Tangled hair that flows with the wind is pretty
Eyes hiding those tears are pretty
Lips that merrily utters the lyrics of a ballad are pretty
The soul once lost to someone is pretty
Its all because YOU ARE YOU,
and I see you rather more feel you.

Distant Magir

In time, my mates fled,
so do my fear of losing them.
Maybe-its just because while rimirising bad,
I got this feeling that distance made us long
hard
ultimately, it made collision beautiful.

Start your day the Healthy way

The best way to start a day is to go on a morning walk. As you step out of the house, deeply breathe in the clean fresh air. Feel your lungs expand and your body fill up with positive energy. It is a good idea to go to a nearby park or open ground for your morning walk. You may hear the music of birds which will soothe your

An old School Girl

She used to say,
She's in love with solitude
so she pushed every single person away
She didn't wanted to hurt them
So she started drawing thick lines of limit
She used to live in her own drawn circle
Which was ever entire universe
Without realizing the world of her dear.

But now that no one is near
She is falling apart
She is singing the balled of old lonely song
Waiting for someone to stand behind her
to teach her how to love?

She never wanted to say but now she is longing
hard longing hard for someone to share all of
her heart and all of the love she had within her

Waiting for someone to hold her hand
to hold her so hard that she would never let go
she would never say a goodbye.

But all these things could never happen-never
in her life
because she has imprisoned herself in her own
universe of loneliness
just because she is coward, she has no courage
to speak her heart out.

Pasang Tsomo (XII-C)

senses. The first glow of the rising sun will fill your kind with a sense of place and calm. As you stride along briskly (getting the much-needed exercise your advised), look around you at what nature has to abber-drops of morning dew on the grass, squirrels chasing each other up and down a nearby tree or just the freshness of a gentle morning breeze. This is also a good time to think of the takes ahead and to plan your day, for then you have the added satisfaction of falling organized and prepared. Thirty minutes out in the open and you are prepared to face the new day with positive vigour and energy.

Sandeepna Bhardwaj (VII-B)

Youth a Power

Youth is the time of life when one is young and often means the time between the childhood and adulthood. It is an experience that may shape on individual's level of dependency which can be marked in various ways according to the different cultural perspectives.

Youth also identifies a particular mind set of attitude as "He is very youthful". The United Nations defines youth as persons between the age of 15-24 or somewhere it is 15-33. Scholars argue that age based definitions have not been consistent across cultures.

Robert Kennedy stated- "This world demands the qualities of youth: not a time of life but a state of mind, a temper of the will, a quality of imagination, a predominance of courage over timidity, of the appetite for adventure over the life of ease."

Youth is a power and is the most powerful resource on Earth, above the Earth and under it. Youth in the past have continuously enriched the world of today in many fields, not only in the field of science but also in the field of engineering, politics, arts, health care, agriculture, horticulture as well as in field of spirituality. If a youth works in the positive way and in right direction he can change the whole scenario of the world.

Accordingly to me youth means who is the recipient of all positivity and reveals the universal harmony by their energy. If youth is guided by truth he can establish the device element of humanity which is the need of present era.

No doubt youth is a period of full energy, when it is used for the welfare of human kind. It can lay a milestone.

Lastly I want to conclude it, by quoting a famous verse of 13th Century Persian Sufi poet:

Turn off the TV

My father gets quite mad at me;
My mother gets upset
When they catch me watching
Our new television set
My father yells, "Turn that thing off"
Mom says, "It's time to study."
I'd rather watch my favourite
TV show

I sneak down after homework
and turn the set on low
But when she sees me watching it
My mother yells out, "No"
Dad says, "If you don't turn it off,
I'll hang it from a tree!"
I rather doubt he'll do it,
cause he watches more than me.

He watches sports all weekend
and weekdays evening too,
while munching chips and pretzels
the room looks like a zoo.

So, if he ever got the nerve
to hang it from a tree,
he'd spend a lot of time up there-
watching it with me.

Aashtha Verma (IX-C)

Wings to Fly

"You were born with potential
You were born with goodness and trust
You were born with ideas and dreams
You were born with wings.
You are not meant for crawling
So don't you have wings.
Learn to use them to fly."

Mehak Soni (IX-A)

My School Promises

Each day I'll do my best,
And I won't do any less.
My work will always please me,
And I won't accept a mess.
I'll colour very carefully,
My writing will be neat
And I will not be happy,
Till my papers are complete.
I'll always do my homework,
And try my best on every test.
I won't forget my promises,
To do my very best.

Bhavya Thakur (V-A)

Thanks Mom, Thanks Dad

Thank you, Mom,
Thank you, Dad,
Three small words,
So much to add.
For all your support
a million words
would be too short
The words, "I Love You"
Seem to few
To express the love
I have for you

Jasmine Mehta (V-A)

Interesting Facts

- Zero is the only number which cannot be represented by Roman Numerals.
- Human eye's power is equivalent to 576 Mega Pixel camera.
- Snails can sleep for 3 years.
- You see your nose at all times, your brain just chooses to ignore it.
- Every minute, you travel over 12,000 miles in space. That's just while standing still.
- If you sneeze too hard you can fracture a rib.
- You are 1% slorter in the evening than in the morning.
- The original name of butterfly was flutterfly.
- It rains diamonds on Saturn and Jupiter.
- Smelling bananas and green apples (smelling not eating) can help you lose weight.

Charisa (V-A)

Mother

- M** - Money and gold can't repay the trouble she takes.
- O** - Onward do I march under her affectionate look.
- T** - Teach at every step.
- H** - Herself suffers to make me happy.
- E** - Eager to feed me as much as she can.
- R** - Remember her always, my goddess of childhood.
